

Education Coordinator for Transitional Age Youth (b2b Program)

ORGANIZATION OVERVIEW

We believe all youth deserve the ability to live healthy, connected, and productive lives. At Beyond Emancipation (B:E), we provide a transformational environment and essential resources for transition-aged youth who have experience in foster care or probation placements to support their efforts to move toward independent adulthood. Under our unique partnership to operate Alameda County Social Services' Independent Living Program, we have the substantial advantage of engaging youth for an entire decade of their lives, from ages 14 to 24.

Founded in 1995, our program services include access to safe host and community housing, post-secondary educational supports, and one-on-one and small group coaching in the areas of life skills, health and wellness, and employment training. All programs are delivered using our signature youth-empowerment, strength-based coaching approach: "Creative, Connected, Resourceful, Whole", created and adopted in 2010. This innovative and successful coaching model provides the information, skills, and supports that enable youth to build resiliency and take responsibility for their own planning and decisions, leading to long-lasting positive change.
